I confirm that the above student is willing and able to attend the full Iasasthai Ballet Summer Intensive for Weeks 1-3 if he/she receives this scholarship.

I understand that this form does not count as a registration form, and that the above student will be free to either register or not register for the intensive after scholarship selections have been made on April 30.

I understand that the scholarship for which my student is applying is 25% off of the 3 week tuition, which is taken from their tuition as of the deadline tier under which they submit their registration. I understand that I will still be responsible for paying the remaining amount for my student's tuition.
